FOREWORD

As each of us grows older we tend to forget a lot of the wonderful activities of our school days. This book is designed to bring back that vast treasure chest full of memories to us and to serve as an accurate record of the 1965-66 school year. We have recorded the joyous events of parties and ball games and the events, such as parting, which bring tears to us. We proudly present this book to help reserve those wonderful memories which are now in the past.

TO THE MEMORY OF

**J. B.
McGINTY**

1881-1965

WE DEDICATE

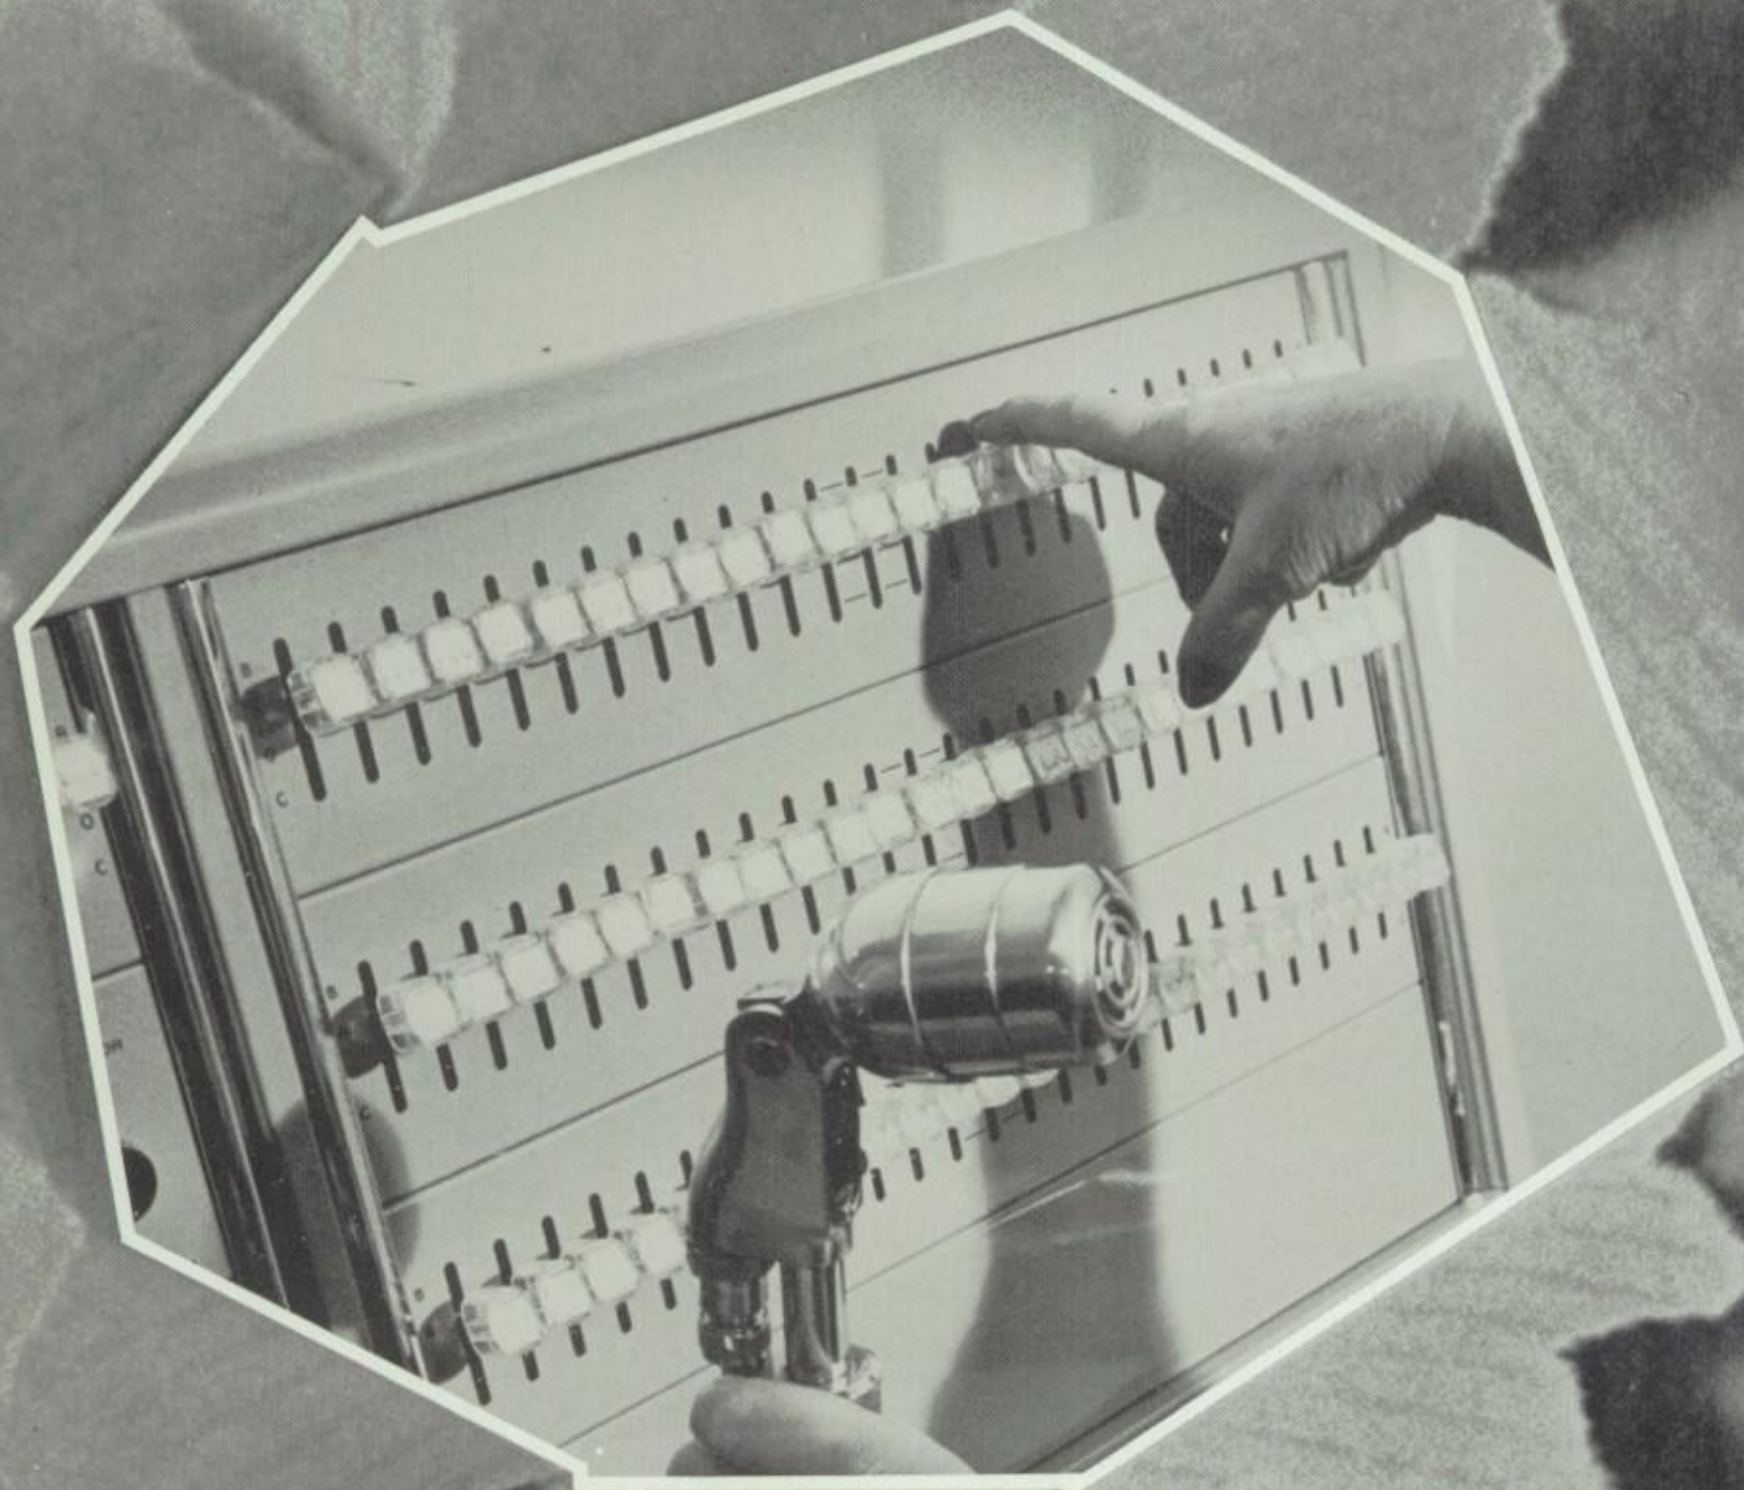

**THE
HORNET 1966**

The name and memory of J. B. McGinty are undyingly connected with all the life and activity on this campus. He was a trustee of Boles Home prior to its incorporation in 1937. Since that time he served continuously as president of the Board of Directors of Boles Home until his death in 1965. At one time he served as interim administrator of Boles Home, pending selection of a new superintendent.

He demonstrated an unfailing love and tenderness for young people. Untiringly he yielded his abilities to champion their cause. His belief in Christian education and training made him a faithful and unwavering friend of Boles Home, Boles Home School, and Boles Home young people.

In appreciation for his faith in us, his hope for our future, and his love for our cause, we respectfully inscribe this annual to his memory.

REMEDIAL READING

Language arts area development is the most pressing need in public schools today. Reading improvement is basic to correction of educational deprivation. Library improvement is basic to reading improvement. We try to stimulate interest by providing a wider selection of reading materials geared to the interest level of each student.
